

Classroom Observation Form

Teacher: Lisa Smart Period 2 Formal _____ Informal X

Observer: Lanterman Date: 10.30.14

students present: 22

Lesson Preparation: thorough paper work + early planning on ppt.

Classroom Management:

no issues up front good @ redirection

Student/Student interaction:

had peer activity/discussion

Teacher Strengths:

asks students speak louder
asks questions of student
good voice projection
praise for effort
strong examples/fresh idea
physical/verbal activity
Peer

Lesson Objectives:

give students new assignment for final project.

Room Arrangement:

front 2/3 of room used.

Student/Teacher Interaction:

Walked around w/ kids

Areas of improvement:

specific call on student (same kids over + over)

Comments:

One student didn't get viewfinder. (quiet kid) but noticed her + gave her one at start of physical movement.

- Remind students to clean up - as whole so you aren't doing it.
- Reminders needed of safety on several occasions.
- The looking activity was good but I would have regrouped + shared successes.
